

TRAIN THE TRAINER COURSE

COURSE DATES: 26TH & 27TH SEPTEMBER 2017

This is a dynamic two day interactive train the trainer course suitable for all levels of training professionals. Training is about inspiring and motivating people, giving them a high level of skills and making the training room a really fun place to be. This course will build the confidence to know that whatever is thrown at you whilst training, you will be able to make it work. The programme will be led by an experienced trainer, is designed to be highly interactive and incorporates the following training methods:

- Trainer instruction/guidance
- Group discussion
- Group exercises
- Practical work

TRAIN THE TRAINER PROGRAMME AIMS:

1. To investigate and highlight the core elements which define a good trainer
2. To give delegates an insight into the skills required to deliver successful training courses
3. To provide delegates with an understanding of the importance of creating a learning culture whilst training that can be achieved

PREPARING & DELIVERING A TRAINING SESSION

- Writing a Training Course
- Training Delivery Techniques
- How to be Dynamic
- The use of exercises, icebreakers and energisers
- Questioning Techniques
- Asking & Managing

THE LEARNING CYCLE

- What makes a great trainer
- Catalysing and promoting the desire to learn
- What motivates you to learn
- What prevents learning
- Kolb's Learning Cycle & Adult Learning Styles
- Typical behaviour styles and how to manage them

All delegates will be issued with a workbook of the Train the Trainer Course work

COST OF COURSE: £399 + VAT
